Projects

Personal Website: cassandramoe.com

Aug. 2020

- Designed personal website to act as a portfolio for projects using HTML, CSS, and Bootstrap

Brick Bounce: github.com/C-Moe/brickbounce

Apr. 2020

- Created arcade-style game using D3 library, HTML, and CSS where the user places bricks on screen to preemptively block as many circles as possible

Related Experience

MyRegistry.com: Intern, *Fort Lee, NJ*

Aug. 2018 – May 2019

- Designed inviting daily content for social media platforms with up to 13,000 followers to increase customer engagement
- Researched, compiled, and added aesthetic products to company website via managerial tools
- Edited sales decks for potential partners, as well as curated/edited images for site updates and client emails

T.E.C.H. Camp: Co-Founder, *Hackensack, NJ*

Mar. 2018 – Aug. 2018

- Initiated female-led summer camp to empower middle school girls in technological and engineering fields by fostering a safe environment/providing resources to continue learning after camp ended
- Coordinated with students, faculty, and administration to build original curriculum
- Created class rosters for over 50 students and 6 simultaneously-running classes (including WebDev, Python, and 3D Printing)
- Collaboratively designed brand of camp, including logo, shirts, and stickers

Extracurricular

Asian Student Union, *Media Specialist and Freshman Representative*

Oct. 2019 - Present

- Designed organization's first logo to better establish organization identity and sense of community
- Create visually-pleasing Facebook page event banners (1,000 followers), Instagram posts and stories (600 followers), biweekly newsletter assets (1,000 subscribers), and apparel (over 100 members)
- Meet weekly with board to ideate, budget, and implement events which foster spirit, culture, and unity

Interests: Dance, Podcasts, Allyship & Activism, Food
